#### Contact us

**Tél.** 03 68 85 27 91

**Mail** : [bu-ecpm@unistra.fr](mailto:bu-ecpm@unistra.fr)

### Some libraries that may be of interest to you

- ♦ **On the Esplanade campus** : the Studium library and the language library (Patio building)
- ♦ **On the Illkirch campus** : the Pôle Api library and the Robert Schuman-Pharmacie IUT library

**These libraries have Sedeco photocopiers available for your use**

## Main resources in Sciences

**Techniques de l'ingénieur** is a document database offering summary articles in various fields of science, particularly engineering. You will also find laws, regulations, patents and standards, as well as a dictionary offering multilingual definitions and diagrams (4 languages).

**WEB OF SCIENCE** reports on global scientific literature. You will find articles from journals, conference proceedings and a wide range of content: physics, chemistry, biology, engineering, medicine, etc.

**SCIFINDER-N-** (before consulting, you have to create an account) Scifinder-n is the search interface for Chemical Abstracts, the reference database for chemistry.

## E-books

**ScholarVox** by Cyberlibris is a digital library bringing together more than 100 publishers. You will find e-books in French and English covering the fields of science and technology, economics and management.

**SpringerLink** offers digitised works in science, technology and medicine from Springer.

## Resources in languages

Learning English

Learning English, German, Spanish

## Norms and patents

**Cobaz** is a database where you can have access to French norms AFNOR and to some full text documents. You can also have access to european and international norms.

**Espacenet** gives information about patents, process of delivering, text of laws, jurisprudence in Europe
